Mission and Purpose

The Nebraska Mediation Association's mission is to be a statewide network of mediators which develops, implements, and sustains quality conflict resolution, mediation, and consensus building. The NMA promotes mediation, and supports and provides training and educational opportunities for all mediators in the State of Nebraska. Through this member network, NMA provides links, resources, and enhanced opportunities among mediation professionals.

The NMA will help you:

- Improve your practice of mediation
- Collaborate with mediators in your field
- Meet Continuing Mediator Education (CME) requirements
- Obtain discounts to CME events
- Obtain written resources to help your practice

The NMA will provide you with the opportunity to substantively improve your practice of mediation through the use of a **supportive network** of mediators.

You will have multiple opportunities to **collaborate** with other professionals in the field.

Reduced cost **conferences** will give instruction from the nation's best conflict management professionals, and will help you meet CME requirements.

A multitude of **contacts** will be able to guide you to the resources you need to strengthen your practice.

NMA membership entitles you to be an **active organizational participant** in NMA decision-making through Annual Membership meetings and election of NMA Board Members.

The NMA is open to all practicing mediators throughout Nebraska: independent practitioners; court-connected; or affiliated with a center. NMA is also open to all supporters of mediation.

Come join us!
